Winner of the iPad at the IDA Expo in Las Vegas!

Rasco Industries, Inc. held a drawing during the IDA Expo in Las Vegas. Every door dealer/Installer who visited their display was eligible for the drawing. C.E.O. Rosy Brown reached into the large box of names and selected Keith Ward of Jan Overhead Door 14351 W. Warren Dearborn, MI 48125. Mr. Ward wasn't present when his name was drawn, but after a few phone calls in trying to locate him Keith came back to the show floor and happily accepted his new Apple iPad. Congratulations Keith!

Keith was surprised to have won, he couldn't get back to the show until after it ended, so he had to make his way through the forklifts and tearing down commotion but happily received the iPad engraved with the words: "Congratulations from Rasco Industries". Keith said "Wow, Thanks".

[Rasco Industries, Inc.](http://www.rascoindustries.com) looks forward to seeing you at the next IDA show in Nashville 2013, where they will have another great contest for you to enter.
